EXAMINER'S AMENDMENT

ATTACHMENT TO PAPER NO. 6
(SUPPLEMENTAL NOTICE OF ALLOWANCE)

An Examiner's Amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 C.F.R. § 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the Issue Fee.

Authorization for this Examiner's Amendment was given in a telephone interview with Thomas F. Brennan on May 4, 1993.

In the Specification:

Appendix A (pages 1-430 and 1-15 of the appendix) has been deleted.

On page 37, lines 20-22, of the specification, "Appendix A contains an object code listing of two MSDOS files that make up a preferred embodiment of the present system." has been deleted.

Remarks:

Appendix A has been deleted due to its extremely large size and also because the contents of the appendix, which consist of binary code, are not necessary for the understanding or enablement of the invention.

The reference in the specification to the appendix has also been deleted.

Serial No. 07/847,292
Art Unit 2311
